

Assembly

**MY REAL NURSERY GARDEN  
COMPOST BIN - LID - COLD FRAME**

Compost Bin

4 x Posts	2 Baton Boards
10 x Boards	1 Lid

Make a square/rectangle with 4 posts and four boards  
Build up the sides each with a further board  
Fill the top layer placing the baton boards opposite each other with the batons facing inside.

**Lid**

Place the lid on top of the Compost Bin resting on the baton boards.

Cold Frame

8 Boards	1 x Wooden Framed Lid
4 Posts	4 x Slippers to protect the posts

Make a square with 4 Posts and 4 Boards by sliding the posts over the ends of the boards.  
Finish with a 2<sup>nd</sup> layer of Boards  
Place the Lid over the top
