General Information

The Log Store you have purchased slopes forwards:

Taller posts at the back, shorter posts at the front.

Plastic strips are there as supports and they slide inside the groves of the posts

Assembly

1. Form a square from 4 posts and 4 boards, taller posts at the back, shorter at the front.
2. Slide a plastic strip down the 6 slots that will make up the sides.
3. The 2 shorter plastic strips fit below the shorter end of the sloped boards.
4. The thick board fits at the top back for you to attach the hinges.
